<p>Are you looking for a traineeship with a difference, have loads of energy coupled with a great personality? If this is you, the Guzman y Gomez family want to meet you! Our mission, "GYG will dominate fast casual Mexican dining by always delivering remarkable food and service experiences". To do this, GYG is fast paced, exciting, we work hard – but we want to have fun while doing it! We don't class ourselves as having 'customers', but rather guests as everyone is part of the GYG family from the moment they arrive in our Taquerias. We want to take each guest on a journey, a journey where it's all about the food! We are looking for people who want to create fresh, vibrant food by slicing tomato and smashing guacamole fresh for our guests so they can taste our culture, as well as feel it when they visit. You will be part of one of the largest, culturally diverse teams, a growing business, and the best part is you might start saying Hola! Cómo estás? instead of "Good morning, how are you today?". If you love talking to people, can offer great service, have a burning desire to create great food, and want to work for a growing business with a difference, apply today!</p>
