St James College was established in 1868 and was the first Catholic Boys School in Brisbane. It is now a Co-Educational Catholic College, which offers Junior and Senior secondary school programs including Academic and Vocational Education and Training (VET) programs.

The campus is located on the fringe of the Brisbane CBD with easy access to public transport, 5-10 minutes walk to the Queen Street Mall and close to many more facilities. It is a small school environment with personal attention to all students and a variety of accommodation options for 18+ students. There are also flexible programs to assist students with different goals.

With a total student body of 430 students, St James currently looks after about 70 international students. These students come from a range of countries including China, Korea, Taiwan, Colombia, Poland, Peru and Kenya.

Entry Requirements

Students will be admitted to appropriate year level based on

⇒ Age upon entry
⇒ Completion of previous studies at other Institutions
⇒ Proficiency in English

</table>

School Strengths

St James College understand the dreams and talents of each student are unique and success comes in many different forms. Building self esteem is paramount to every student’s personal development and a nurturing environment is created to allow each individual to capture the talents that lie within.
What makes St James College Special?

⇒ From its earliest days in 1868, St James College has always accepted students from a diverse range of cultural backgrounds.
⇒ Since the 1980s we have developed expertise in working with International Students.
⇒ In August 2007 St James College accepted an Award from the Queensland Government for Outstanding International Support Services and Pastoral Care.
⇒ In November 2010 one of our Senior Students was named QETI International Student of the Year.
⇒ Students regularly graduate at the highest levels of university entry including Overall Position 1 (OP).
⇒ Central location.
⇒ Flexible approach to needs of every student.

College Programs

The curriculum at St James College follows principles of inclusion and offers a broad range of learning experiences including both academic & vocational pathways. These courses allow students who achieve required results to access university and diploma courses throughout the world.

International Student Programs

⇒ Access to local language schools providing high school preparation courses.
⇒ Junior and senior high school courses.
⇒ Academic and VET programs.
⇒ Study abroad students welcomed.
⇒ Short and long term study tours offered by arrangement.

International Student Support Services

International Students are welcomed into the College by means of specially designed orientation and induction programs. From the International Office, the specific needs of International Students are overseen by an experienced and qualified staff employed full time for this group of students. Students are offered support and assistance and given individual attention to assist them in settling into the college and with any concerns that may arise during their time here. A 24/7 mobile contact number is given to allow for after school hours contact when required.
